Mission Statement:

Little Learners is a private school that provides a safe and caring learning environment for children to reach their highest potential when building the essential early stepping-stones of their education. It is our goal to nurture, encourage, and challenge your child to become the best little learner he or she can be.

Philosophy of Education:

It is our goal at Little Learners to ensure that your child is provided with the best quality education and care that each child deserves. We strive to develop each child's physical, cognitive, and social development in a safe and happy environment.

Each day, your child will be encouraged and challenged to meet his or her highest potential as a little learner. Our curriculum is designed to raise the bar for pre-kindergarten in order to ensure each student will be fully confident and ready for kindergarten. Our kindergarten and first grade curriculums follow the Indiana academic standards.

Our curriculum features early reading, writing, math, and science lessons that follow the ISTAR-KR (Indiana Standards Tool for Alternate Reporting of Kindergarten Readiness) for schools. Our daily curriculum also incorporates working on large and fine motor skills. Weekly music, art, and Spanish classes are integrated into our lesson plans as well. We feel it is extremely important that all children are given the opportunity to express themselves creatively, as well as academically.

It is also our goal at Little Learners to instill good manners and morals. All children will be encouraged to act as little ladies and gentleman and will be learning proper etiquette each day.

Parents must receive the enrollment forms and have read, filled out, and signed the appropriate documents. All necessary paperwork in case of an emergency must be filled out and on file. Little Learners reserves the right to refuse the admittance, or expel any child whose presence would be threatening or dangerous to other children in the school, or for any other reason not inconsistent with the law.

Confidentiality:

Little Learners will respect the privacy of children and their families, while insuring they receive high quality education and care at our school. All parents and caregivers can share their information in the confidence that it will only be used to enhance the welfare of their children. All personal records, including registration and admission forms will be securely stored in our office files. Each child will have a developmental portfolio including samples of their work for the duration of their time at Little Learners. These will be kept safely in classroom files and can be accessed or added to by staff or parents of the child.

Program Description:

Our curriculum at Little Learners focuses on the development of the whole child intellectually, physically, emotionally, and socially. We offer various hands-on activities for children to explore and engage their learning. Our classrooms are arranged to promote each child's academic success as well as encourage independence, responsibility, and confidence.

- **Pre-K 1:** Little Learners Pre-K 1 program is designed to introduce early reading and math skills, as well as develop large and fine motor skills. Weekly lesson plans will include individual and group activities that will allow each child to grow, learn, and challenge themselves each day to prepare them for kindergarten.
- **Pre-K 2:** Little Learners Pre-K 2 program is designed to fully prepare your child for kindergarten. They will be introduced to math, reading, science, and handwriting. Weekly lesson plans will provide group lessons as well as individual activities to promote the child's independent learning. This class build on skills that were mastered in Pre-K 1.
- **Kindergarten and first grade** classes follow Indiana Academic Standards.

*All programs will include weekly music, art, science, geography, and Spanish classes, as well as outdoor/indoor physical fitness activities.

Drop Off and Pick Up

Little Learners will be open Monday through Friday from 7:00am to 5:00pm. AM Pre-K 1 and Pre-K 2 shall be from 8:30am-11:45am. Full day school shall be from 8:30am to 3:30pm. Early drop off is available between 7:00am and 8:30am. After school enrichment is available from 3:30pm to 5:00pm. Parents or legal guardians should bring their child into the school building, sign them in, and make sure they are under the supervision of the classroom teacher before leaving. For safety and security, only teachers and students are permitted in classrooms unless there is an event taking place.

Each child should be picked up by 11:45 am for the half-day morning classes and 3:30pm for the full day classes. Children should be picked up no later than 5:00pm if enrolled in the after school enrichment program. Parents or legal guardians must come into the building and sign their child out before leaving. Children will only be released to a parent/legal guardian, or someone named by the parent, or named on the authorization form.

Late Fees:

A charge of \$5 per minute will be made for each minute the child is in the building past 5:00pm for the after-school enrichment program. If any child is left in the building 30 minutes after pick up time and a parent/legal guardian has not called, child services will be contacted to pick up the child. A fee of \$1 per minute will be charged if your child is dropped off more than 10 minutes earlier than the drop off time you pay for, (i.e., if you pay for the regular school day, and drop your child off at 8:00am, a \$20 fee will be charged for that day). A fee of \$1 per minute will be charged if your child is picked up more than 10 minutes later than the pick-up time you pay for, (i.e., if you pay for the regular school day and pick your child up at 4:00pm, there will be a \$20fee charged to your account).

Meal Plan:

Children are expected to arrive at Little Learners Early Childhood Center with a healthy breakfast in their stomachs. Little Learners will provide a morning snack between 9:30 and 10:00am. Little Learners will also provide an afternoon snack around 2:00pm. Parents/legal guardians may pack the child's snacks if the child has specific dietary requirements, and must fill out the safe transportation of food form on page 7. Children enrolled in full day school **must** bring their lunch to school each day they come to Little Learners.

Children enrolled in the early drop-off will be provided with a cereal breakfast if needed. You may pack a **disposable** breakfast for your child if you would like. **No sippy cups please!**

Emergency Closings:

In the event of an emergency that would keep Little Learners from opening, (including 2-hour delays and snow days) parents will be notified in the following ways:

1. A call or text to the parent or emergency contact by the principal or teacher.
2. Notification will be made on WTHR. Look for "Little Learners Early Childhood Center" under school closings.

It is the responsibility of the parent/legal guardian to keep all emergency contacts up-to-date. It is also the responsibility of the parent to have a back-up plan for childcare in case of emergency.

If a court order exists preventing a particular individual from having contact with a child, Little Learners shall comply with that order. There shall be a copy of the court order in the child's file.

They will be going outside most days, weather permitting. Please dress them in safe and comfortable clothing.

Withdraw:

If you wish to withdraw your child from school, you must give notice at least two weeks prior to the first of the month in order to ensure next month's payment will not be deducted from your account. Little Learners reserves the right to terminate any child for a high absentee record, failure to pay tuition, or severe problems with behavior towards other children or staff.

Medical Requirements:

All children enrolled at Little Learners are required to have a physical examination within 12 months prior to admission, or one month after admission into the program. All children must also have up-to-date immunization records on file.

Illness:

Children should not be sent to school if he or she seems ill in any way. If your child has a fever, or any contagious symptoms, you will be notified to pick up your child. The child will be isolated from the rest of the class until picked up. If you cannot be reached, someone from your emergency contacts will be contacted. Due to scheduling conflicts, sick days cannot be made up.

Parent-Teacher Conference/Communication:

Little Learners encourages parents to be aware and involved in their child's learning. Parents are always welcome at the school, and encouraged to provide input. The principal and teachers are always available to discuss any concerns or questions you may have. Parent-teacher conferences can be arranged at any time per request, but will also be held bi-annually. Little Learners will notify parents of any significant problems or occurrences affecting your child. We will also notify you for outstanding efforts or behavior displayed by your child in the classroom.

Each student will be provided with a folder at the beginning of the year and parents should check them daily. Please remember to return the folder in your child's backpack each day they come to school! Communication with the lead Pre-K 1 teacher can be done via the seesaw app, which will be explained during the first week of school. Communication with the lead Pre-K 2, Kindergarten, and 1st grade teacher can be done via text messaging Ms. Blake.

Each week, a "Sneak a Peek at the Week" will be emailed which explains the weekly learning concepts your child will be working on in school that week. This way, you can discuss with them and reinforce at home. A monthly newsletter will also be emailed at the beginning of the month which includes upcoming events and learning themes for each month.

Birthdays:

Due to food dye sensitivities and allergies, we ask that you **do not bring in birthday treats** or presents of any kind for your child's birthday. We provide a treat for all student birthdays, and will sing "Happy Birthday" to them. We will also take a picture of your child and send it to you via text message.

Reporting Abuse/Alcohol/Tobacco:

Little Learners is required by law to report to child protective services any suspected child abuse, neglect, or maltreatment on the part of an employee, parent, or volunteer. All staff is trained in detecting and preventing any kind of abuse, neglect, or maltreatment. Any abuse or maltreatment of a child, either as an incident of discipline or otherwise is prohibited. Any means of corporal punishment will not be tolerated. Additionally, withholding or using food, rest, or sleep as punishment is prohibited at Little Learners.

The use of tobacco, and use or possession of alcohol, illegal substances, and firearms is prohibited. If an authorized intoxicated or impaired person insists on removing children from the center, Little Learners shall immediately report the incident to the local police department.

Discipline Policy

At Little Learners, we feel it is extremely important that all children's development is nurtured through caring, patience, and understanding. Children may not get along with each other, and may not agree to follow our classroom and safety rules designed for their best interest. Children may display unfavorable behaviors that will need immediate response by employees. Hitting, kicking, spitting, hostile verbal behavior and other behaviors that will hurt another child are not permitted.

In response to a child's misbehaviors, your child's teacher will not use:

- Threats or bribes
- Humiliation or isolation
- Physical punishment of any kind
- Deprive your child of food or other basic needs

In response to a child's misbehavior, your child's teacher will:

- Respect your child
- Establish clear rules and give clear choices to the child
- Be consistent in enforcing rules
- Use positive language to explain desired behavior
- Speak clearly and calmly while bending down to your child's eye level
- Redirect your child to a new activity
- Each classroom implements a "green, yellow, red" classroom management system. If your child is on red, we will move your child to a time-out chair to regain control of his or her behavior. A note will also be sent home.

In the event that your child's behavior is very disruptive, or harmful to himself or other children, we will discuss the issue with you in private. If the situation improves, the child may remain enrolled at Little Learners. If we are unable to resolve the issue, you may be asked to withdraw your child.

As a parent, you may have some concerns, or wish to offer suggestions pertaining to your child's specific behaviors and/or needs. Using the lines below, we may modify the above plan with agreed upon suggestions.
